

**Opportunities for Community Partnership
UNM Cancer Research and Cancer Support Now**

Deirdre A. Hill, Ph.D.

Inspired in part by..
Patient Centered Outcomes Research Institute (PCORI)

**Opportunities for Community Partnership
UNM Cancer Research and Cancer Support Now**

**"Listening Group" for Breast Cancer
Planning underway now**

- Understand our different worlds, unique language specific experiences
- Discuss issues of concern to patients
- Discover commonalities that might (or might not) be fruitful ground for future grant proposals we could work on in partnership
