VISION

The vision of the Gynecological Cancer Awareness Project is to lead the progressive transformation of gynecological support in New Mexico

Hi GCAP Golfer,

We are excited to invite you to our 8th Annual Swing for Joy Golf tournament. Please join us for this great golf outing raising money for women with women's cancers throughout New Mexico.

I hope everyone is having a great Labor Day holiday weekend. I am writing to remind you that the 8th Annual Swing for Joy Golf Tournament is only two weeks away and there are still many things to be done.

If any of you have received anything for the raffle, please let me know so that we can come pick them up. Otherwise, we haven't had many donations so please keep working and looking for opportunities for donations: this could be items for the raffle, hole sponsors, or tournament sponsors!

Furthermore, we are still trying to get the word out to EVERYONE! I urge you to send reminders to your contacts and remind them to sign up online at thegcap.org. As a selling point, remind everyone that they will receive breakfast, goodie bags, driving range practice, an awards lunch, and a FUN TIME!!

As always we will have a great time, great contests and prizes, a whole lot of fun and a successful day helping cancer patients by raising money to continue the mission and vision of the Gynecological Cancer Awareness Project!

Thank you for your continued support of The GCAP!

Sincerely,

Patrick Maes, Executive Director
Amy Gundelach, Founder
